Gareth Gates & Siti Nurhaliza - Say It Isn't So

Gareth:

Skies are dark, it's time for rain
Final call, you board the train
Heading for tomorrow

I wave goodbye to yesterdays
Wipe the tears, you hide your face
Blinded by the sorrow

Siti:

How can I be smiling like before
When baby you don't love me anymore

Both:

Say it isn't so
Tell me you're not leaving
Say you've changed your mind now
That I am only dreaming
That this is not goodbye
This is starting over
If you wanna know, I don't wanna let go
So say it isn't so

Gareth:

Tempt to find, at least we've tried
We're still alive with hope this time
As they closed the door behind you

Siti:

We're so close and times are still
Shake the ground beneath the wheels
As I wish I'd never found you

Gareth:

How can I be smiling when you're gone

Siti:

Will I be strong enough to carry on

Both:
Say it isn't so
Tell me you're not leaving
Say you've changed your mind now
That I am only dreaming
That this is not goodbye
This is starting over
Say I'm not wide awake
If you wanna know, I don't wanna let go
So say it isn't so

Gareth:
Miles and miles to go
Before I can sail, before I can nail my love for you to
sleep
Oh darling oh

Both::
I get miles and miles to go
Before anyone will ever hear me laugh again

Say it isn't so
Tell me you're not leaving
Say you've changed your mind now
That I am only dreaming
That this is not goodbye
This is starting over
Say I'm not wide awake
If you wanna know, I don't wanna let go
So say it isn't so..

Say you've changed your mind now
That I am only dreaming
That this is not goodbye
This is starting over
Say I'm not wide awake
If you wanna know, I don't wanna let go
So say it isn't so
If you wanna know, I don't wanna let go
So say it isn't so
