(Peter Bj rklund)

I know you are my soft spot
And I've tried to shed my skin
We shouldn't be together
I say it as I'm giving in

How long,
How long does it ache like this?
How long,
Before the loneliness turns to a bliss?

Sorry if I'm starting something
It's out of my hands
I shouldn't take this further
I know where it ends
I damn the eyes that make me weak
I curse your touch, cause I get weak

I know I should be stronger
I'm trying not to blow my cool
But I can't wait any longer
Guess it proves that I'm a fool

So how long,
Am I gonna act like this?
How long,
Do I crave for a final kiss?

Sorry if I'm starting something
It's out of my hands
I shouldn't take this further
I know where it ends
I damn the eyes that make me weak
I curse your touch, cause I get weak

I know I shouldn't be giving in
But you're crawling right back under my skin

Sorry if I'm starting something
It's out of my hands

I shouldn't take this further
I know where it ends
I damn the eyes that make me weak
I curse your touch, cause I get weak
