[C-Bo] (Too \$hort)

Man, it sure has been a long time mayne... you know?  
Got the fuck out the gate though  
\$hort Dog, check these bitches man  
(Ay yo C-Bo) Ha, what is it my nigga? (What's up  
mayne?)  
Ah you know, keepin' it gangsta fo sho' (Yeah)  
(These niggaz out here tryin' to player hate on the West  
man)  
Fuck them niggaz (Spit that shit nigga)

[C-Bo]

I give a fuck where you from fool I'm ridin' with \$hort  
If I step in the ring and scream kill they dyin' for sure  
You better ask these niggaz, from high death to the top  
I had to answer these niggaz, bone crusher blast at  
these niggaz  
There ain't no fast in these niggaz, all my niggaz gotta  
eat  
So it's a must that I crush ki's, if I'm smearin' I dust up  
many  
Bustin' slugs up any, from The Yay to GA  
Heard the fed's at the house, gotta use the spray with  
the 'K  
Twenty pounds of criptonite on a plane (on a plane)  
Ten metrograph birds on a train (on a train)  
Ten years down the line doin' the same thang  
Nigga fresh up out the pen bangin' the same gang  
On parole, fo-fifth stay aimed to flame  
Rearrange a nigga brain, bitch we bring the pain  
\$hort Dog my nigga, we ride 'til death do us  
Only way to face death is to put a teflon through us

[Chorus: C-Bo]

Me and \$hort forever stack doe, and keep it crackin'  
If the music ain't stackin', he pimpin' bitch and I'm  
jackin'  
On the track with a full metal jacket, yellin' fuck the  
world  
Westside gon' have it, what?!  
Me and \$hort forever stack doe, and keep it crackin'

If the music ain't stackin', he pimpin' bitch and I'm  
jackin'  
On the track with a full metal jacket, yellin' fuck the  
world  
Westside gon' have it, uh

[Too \$hort]

I know all about these nothin' ass hoes  
Niggaz you can't trust and how this street life goes  
I gotta hustle, that's all I ever think about  
If I gotta stand on the corner when the fiends come out  
If my raps don't sell, I'm pimpin' Sonia  
Cause pussy never stop sellin' in California  
Turn a bitch into a hoe...  
Even had a bitch rappin' in the studio  
Turnin' tricks, suckin' dicks in a video  
If you see some money you better get it hoe  
You know I gotta eat good, this ain't no joke  
We got bitches, music, and we slangin' dope  
Up all night, tryin' to make more cash  
Police always tryin' to take your stash  
They need to just let a player do his thang  
Eat steak everyday and make some loose change

[Chorus: C-Bo]

Me and \$hort forever stack doe, and keep it crackin'  
If the music ain't stackin', he pimpin' bitch and I'm  
jackin'  
On the track with a full metal jacket, yellin' fuck the  
world  
The Westside gon' have it, what?!  
Me and \$hort forever stack doe, and keep it crackin'  
If the music ain't stackin', he pimpin' bitch and I'm  
jackin'  
On the track with a full metal jacket, yellin' fuck the  
world  
The Westside gon' have it, uh

[C-Bo]

It's fuck a bitch, get rich, put a snitch in a ditch  
Keep a clip full of hollow-tips that'll slang from the hip  
Fo'-fifth flame and flip, bodies like a Gotti  
Once my infrared spot him I rise and I got him  
Fuckin' with a killer, stay on the chase for the millas  
Fat house on the hilla, Benz truck, 20 inch wheelas  
600 blunted, to the airport then scoop \$hort  
Fat heater on lap, I dare any nigga to step forth  
Get smoked of course, blasted, in a casket  
Murder them bastards, leave the whole scene drastic

[Too \$hort]

Jumped in the car with C-Bo, on the way to the liquor  
sto'  
Before we go get some more indo  
So we can smoke and ride  
Cause I'ma stay high for the rest of my life  
Independent in a major way  
I know you love the way us players play  
I wasn't born with a silver spoon, but I stay hungry  
Bitches hear what I say and everyday they want me

[Chorus: C-Bo]

Me and \$hort forever stack doe, and keep it crackin'  
If the music ain't stackin', he pimpin' bitch and I'm  
jackin'  
On the track with a full metal jacket, yellin' fuck the  
world  
The Westside gon' have it, uh  
Me and \$hort forever stack doe, and keep it crackin'  
If the music ain't stackin', he pimpin' bitch and I'm  
jackin'  
On the track with a full metal jacket, yellin' fuck the  
world  
The Westside gon' have it, nigga
