[Chorus]

Hey baby, I wanna tell you how I feel  
Said I'm in love  
I'm in love  
The things you do to me,  
Oh I can't believe they're real  
Said I'm in love  
I'm in love

Oh I wanna hold you close  
And never let you go (let you go)  
Oh I still I get, a little excited  
Every time I am around you (around you)  
And I know, you feel it too  
Said I know, you feel it too  
I can tell when I'm around  
You pick my feet up off the ground

[Chorus]

Hey baby, I wanna tell you how I feel  
Said I'm in love  
I'm in love  
The things you do to me,  
Oh I can't believe they're real  
Said I'm in love  
I'm in love

It still gets better all the time  
So glad I'm yours and ... and you are mine  
And each morning when I rise  
It feels so good, you by my side

And when I keep coming back for more  
Oh baby, I've never felt this sure before

Listen closely cause we'll never ever quit girl  
Like Copperfield you  
You got tricks up your sleeve girl  
So cool and tempting  
Always good and plenty  
When the cup's half full

It's neither full nor empty  
Like a shot of whiskey  
Feeling my heart so tipsy  
911 it's a case of emergency  
Said doctor doctor got this love hangover  
My remedy is lying deep inside her

See I'm in love  
See I'm in love  
See I'm in love, oh yea  
See I'm in love, ooo

[Chorus]  
Hey baby, I wanna tell you how I feel  
Said I'm in love  
I'm in love  
The things you do to me,  
Oh I can't believe they're real  
Said I'm in love  
I'm in love
