No I ain't playing no games
I ain't jokin' jokin'
The way you spread your legs wide open open
I didn't come here to waste no time
So give me the panties cause they soakin' soakin'
The way you're so hot that I'm smokin' smokin'
The way you put your legs wide open open
I didn't come here to waste no time
So give me the panties cause they soakin' soakin'

I knew from the second what was on your mind
The second that you caught my eye
Lets get you out of that lingerie
Just keep fighting me to have my way

You've been caressing me
You're touching your chest to me
You must have the recipe
For me to make you mine

Come on a little closer
Like you're supposed to
Take a ride on my coaster
Hot like a toaster

You get the rest of me
Now you get the best of me
I must have the recipe
Because you're so wet

No I ain't playing no games
I ain't jokin' jokin'
The way you spread your legs wide open open
I didn't come here to waste no time
So give me the panties cause they soakin' soakin'
The way you're so hot that I'm smokin' smokin'
The way you put your legs wide open open
I didn't come here to waste no time
So give me the panties cause they soakin' soakin'

You knew exactly what was on my mind

I wanna give it to you from behind
Outside on the balcony
Plain view for everyone to see

Now you're impressing me
You're touching your chest to me
Improving your recipe
Until I'm deep inside

No I don't want to control you
Just want to know you
So pull me in a little closer
I'll do it slower

Your body is blessing me
You're giving your best to me
Perfecting that recipe
You're so wet

No I ain't playing no games
I ain't jokin' jokin'
The way you spread your legs wide open open
I didn't come here to waste no time
So give me the panties cause they soakin' soakin'
The way you're so hot that I'm smokin' smokin'
The way you put your legs wide open open
I didn't come here to waste no time
So give me the panties cause they soakin' soakin'

No I ain't playing no games
I ain't jokin' jokin'
The way you spread your legs wide open open
I didn't come here to waste no time
So give me the panties cause they soakin' soakin'
The way you're so hot that I'm smokin' smokin'
The way you put your legs wide open open
I didn't come here to waste no time
So give me the panties cause they soakin' soakin'
