I know you 3 days and Iâ€™m already fucked
Itâ€™s like I, itâ€™s like I lost the sense of when to give up
Thing is, would it matter if you felt the same
Coz youâ€™re leaving this town, how I wish you would
stay
Thought that these things didnâ€™t happen to me
But suddenly itâ€™s become harder to breathe
It may kill me, might be rough
But youâ€™re taking the chance,
Will you know that itâ€™s love?

And I would walk a thousand miles for you,
I know it sounds lame but I swear it is true
I could be everything for you,
That is something Iâ€™ll be willing to prove

I know you 3 days and Iâ€™m already fucked
I have a feeling this is not gonna stop
I gotta get to know you before you get on the plane,
I am hearing your voice, I am hearing your name
If we two didnâ€™t think the same way
Or if you didnâ€™t look anything more than okay,
You werenâ€™t just about everything that I have ever
wanted
I could turn around and let you go but that would be
impossible

Coz I would walk a thousand miles for you
I know it sounds lame but I swear it is true
I could be everything for you
That is something Iâ€™ll be willing to prove

Look into my eyes and say thereâ€™s nothing
Look into my eyes and say thereâ€™s nothing
Look into my eyes and Iâ€™ll be nothing now (look into
my eyes and say thereâ€™s nothing)
Look into my eyes and say thereâ€™s nothing (look into
my eyes and say thereâ€™s nothing)
Look into my eyes and say thereâ€™s nothing (look into
my eyes and say there)
Look into my eyes and then I might believe you
