[Cage]

I first saw the bitch at the galleria
With Mr. E

[Eon]

Yo, check that spanish bitch

[Cage]

Yeah, I see her
She was signing people up for credit cards at Sears
Would've stepped to her but...

[Eon]

Mr. E beat you there
Detective Dick lonely. So I'm paging up Josie
36 C's, great knees, pussy toasty
Face like Parker Posey. Seen Stark and Rosie
In the winter looking tan. Never ever ghostly

[Cage]

Fuck that bitch; I grab myself a slut and broke
I had my brain on Josie the whole time we stroked
Days go by and E is like, she wants to chill

[Eon]

Yo you got that leak?

[Cage]

No doubt. Let's lace the Phil's

[Eon]

For rumors narc Thomsons and rhymes I need detox
Shermed up driving in circles for three blocks
Enbalming fluid in the Big Red I was chewing
Worse than the dip whip that had my ass tripping
Who pick you up at eight
So have your gear and shit straight

[Cage]

Yo I be puffing in the basement
Hit the whore when it's time to skate

Leathal leakin got my mother crib stinking
No time for air freshener they beeping in the Lincoln
I jumped in the back with Juice
Solutions fusing the dip nicotine and the truddy Susan
Picked her and her friend up from work
Cat suit. Tight Skirt
Licking they lips shaking they tits trying to flirt

Hook:

Josie! Not what your everyday hoes be
Josie! Perfect poultry for adultery
Josie! Keep the baby wipes closely
Josie! Still taking facials mostly

[Eon]

We twist leak before the bitch speak
Watch my dick creep. Already hitting Josie
But her friend looked like a freak
Doing sixty five in a school zone
Baggy two tones. Swerving off road
Let's get some more blue note
Yo I want to sample that shit
(I wanna sample that clit)
Eric and Alex might just pull a switch

[Cage]

I reached from the back and grabbed Josie's tits
Where I can find her friend's lips
To the Mighty Mi mix. She freestyles with a mouthful
Pornographic Serena Altschul. Still leaked up

[Eon]

Yo break up this ounce

[Cage]

True. Knee deep in a box in the back seat poppin her
Start shooting like trench coat mafia

[Eon]

Yo Cage I can't see with that bitch on top of ya
In the rear view that pussy looking much sloppier
Take the party upstate. On the palisades
Stopping on a dirt road. Josie mixing Alize

[Cage]

Ounce a day habit. She wanna fuck like a rabbit

[Eon]

Strapped with a hat. Smoked the leaks to the last hit

[Cage]

Is you in love with that bitch?

[Eon]

No kid. (So switch)

[Cage]

I hit her on the trunk

Then took shotguns from her cunt

For one straight month, we fucking on the reg

She's just a mouth, box and a ass

[Eon]

You fucking with her head

Repeat hook.

[Cage]

Should've known she was like a sister

Stripping and licking

[Eon]

As far as Mr. E's dick, that's all she was getting

[Cage]

A fairly hated me because I got a stinking house

Said they know what I'm about

[Eon]

The pussy no doubt!

[Cage]

To the little bomb bitch mink for half my closet

[Eon]

Damn. All she got from me was a mouth deposit

Word up. Wait. What's this receipt from the Sheraton?

[Cage]

It's be your last night tricking Josie and Erin

How'd you know?

[Eon]

She treated

[Cage]

She left half skeeted. With a check to cash

[Eon]

For how much?

[Cage]

Six G's kid

[Eon]

I'm quick to stop payments
See that bitch in her arraignment

[Cage]

For the next one to three
She's fat bitch entertainment

Repeat hook
