Hey C-Murder who you hang with?
Say little Kevin boy you know I only make moves with
thugs

make moves with thugs, nigga nigga what
I make moves with thugs, ghetto niggas feel me

[C-Murder]

I wake up in the morning and grab my gat
re-cock my shit before I grab my hat
then I page my niggas Fiend and Mac
cuz we be strapped like the men in black
and uhh one time don't bother me
already payed my dues for a robbery
just cashed a check for 200 G's
left them hoes alone to pursue my dreams
I told them haters don't play no games
got a bunch of bout it mother fuckers screamin' my
name
left the life of crime for the life of rhyme
with every move I make its bulletproofs with nines
you don't wanna go to war with me
I got Big Man and Baz with me
just some more thug niggas ridin' with me
cuz makin' moves with thugs is a high
makin' moves with thugs

(Chorus)(2X)

You know the deal (nigga soliders and thugs)
this thugs for real (makin' moves with thugs)
we packin' steel (i'm makin' moves with thugs)
in cabs we peel (makin' moves with thugs)

[Master P]

how many niggas wanna ride with me
how many thug niggas and bitches wanna get high with
me

(Chorus)(4X)

You know the deal (nigga soliders and thugs)
this thugs for real (makin' moves with thugs)
