* known as "On the Road Again" which was when released as a single

(Intro):

A B C D E F G H I

Hey, do you know what letter comes after I

"What do the Jungle Brothers call it? The jimbrowski"

"It's jimmy, it's jimmy"

Hook (Jungle Brothers):

She always cry when I tell her that I'll be goin' back on the road again

Tears in her eyes tell me that I'm the man someday she'll be marryin'

Verse 1 (Afrika):

Beggin' me to bring you back home

Out wonderin' why why ya home all alone

Feenin' for the jimmy, feenin' for my love

Fixed and addicted to each other like a drug

Nothin' like some acid or some ecstasy

I give you pieces of my love so you'll remember me

Love letters in the mail show me that you still care

I reminisce about the kiss that turned into a love affair

I tell you now I didn't mean to do you harm

But your love was gettin' to me and my jimmy

"got hot when I..."

(Bridge):

My jimmy weighs a ton (4X)

Verse 2 (Mike G.):

Mike G the honey hunter not at all the honey sweater

Chillin' on the corner when I have ?

Sweet, sweet ? only angels look betta

But I ain't that jet so I best to go get her

Hey ? she said what you want it to be

Cause I've been waitin' a while for you to come get with me

Oooh, ahhh, she touched my heart

This could be the sign of a wonderful start

Cause my love is that deep
To some it is a treat
Playin' me for keeps
Ball and chain at my feet
But I got a curfew
But baby I don't want to have to hurt you
She said she want to run away with me
But that can't be (Nah, G)
Cause I was sixteen and she was twenty-three

Hook (female singer):

I always cry when you tell me that you'll be goin' back
on the road again
Tears in my eyes tell me that you're the man someday
I'll be marryin'

Uhhhh, uhhhh, uhhhhh
"Got hot when I...."

(Bridge):

My jimmy weighs a ton (4X)

Verse 3 (Afrika):

Love is a gamble, life is a lesson
By golly when I met you you made a good impression
on me
You wasn't all about playin' those games
(She wasn't all about playin' those games)
You said I wanna be your girl, get to know ya
But I already got a girl I told ya
She said You got the love that I want now bring it to me
She caught me off guard, I started singin' to her

Hook (female singer):

I always cry when you tell me that you'll be goin' back
on the road again
Tears in my eyes tell me that you're the man someday
I'll be marryin'

"J-I-M-B-R-O-W-S-K-I"

"Got hot when I..."

(Bridge):

My jimmy weighs a ton (3X)
My jimmy
