Only had a kiss
And I'm wasted
4x Yeah
Now I need another hit!
Of what I've tasted
4x Yeah
Out of my head
I'm really tripping out
I was dancing in the dark
Til you found me in the crowd
And the room is spinning
Round and round
I'm paralysed
When I'm looking
Into your eyes
Yeah your love is dangerous
I don't know what I'm gonna do
You're my drug
You're contagious
I need another fix of you (fix of you)
Yeah your love is dangerous
I need another fix
Yeah
I can feel the heat
I've been tainted
4x Yeah
Getting drunk off your lips
I want you naked
4x Yeah
Out of my head
I'm really tripping out (out, out, out)
Feeling for a fix babe
Gotta have it now
And the room is spinning
Round and round
I'm thinking right
When I'm looking into your eyes
Yeah, your love is dangerous
I don't know what I'm gonna do
You're my drug
You're contagious

I need another fix of you (fix of you)
Yeah your love is dangerous
You're my drug
You're contagious
I need another fix of you (fix of you)
Yeah your love is dangerous
Baby girl I can pick up you
I can be your drug
And we be getting those looks
But it doesn't matter as long you sing that
I'm your dealer follow the leader
Mix it up with a little tequila
You're hotter than a jungle fever
Won't be long til I'm under the neath
I'll make you sing baby (halo)
La la la la la la
Give you those Ron Jeremy
I need another fix of you (fix of you)
I kiss I look hit is all it took
Kissing and touching
And rocking on the floor
Got me like an addict
Give me more
Yeah your love is dangerous
Yeah your love is dangerous
Yeah your love is dangerous
I need another fix yeah
I need another fix yeah
