Oooh...

Close to you (3x)

Suddenly you find yourself alone

Why do birds suddenly appear

Everytime you are near

Just like me they long to be

Close to you (3x)

Why do stars fall out from the sky

Everytime you walk by

Just like me they long to be

Close to you (3x)

Suddenly you find yourself alone

Half a minute!

Half a minute!

What is there to say when all the lovers slipped away in
half a minute

There is always someone we can blame but in the end
it's just the same

Oh suddenly you find yourself alone

On the day that you were born the angels got together

And decided to create a dream come true

So they sprinkled moondust in your hair

And gold and starlight in your eyes so blue

That is why all the girls in town

Follow you, all around

Just like me, they long to be

Close to you (3x)
