Thinking baby about you baby, thinking baby about you baby.

Thinking baby about you baby, thinking baby about you baby.

All I do is think about you, all I do is think about you.

All I do is think about you, all I do is think about you.

You make my soul a burning fire, you're getting to be my one desire.

You're getting to be all that matters to me, and let me tell you, girl

I hope and pray each day I live, a little more love I'll have to give.

A little more love that's devoted and true

'Cause all I do is think about you.

All I do (oh baby) is think about you (think about you babe).

All I do (yeah baby) is think about you.

Think of how exciting it would be

If you should discover you feel like me.

If you should discover this dream is for two, what I'm gonna tell you girl

I'd light a candle every day and pray that you always feel this way

And pray that our love will for ever be new

'Cause all I do is think about you.

All I do (oh baby) is think about you (think about you babe).

All I do (yeah baby) is think about you.

All I do (thinking baby) is think about you (about you baby).

All I do (thinking baby) is think about you (about you baby).

Thinking baby about you baby, thinking baby about you baby.

All I do (thinking baby) is think about you (about you

baby).

All I do (thinking baby) is think about you (about you baby).

All I do (thinking baby) is think about you (about you baby).

All I do (thinking baby) is think about you (about you baby).

All I do (thinking baby) is think about you (about you baby).

All I do (thinking baby) is think about you (about you baby).

All I do (thinking baby) is think about you (about you baby).

All I do (thinking baby) is think about you (about you baby).
