When you need to know something that you don't
already know
don't ask me for the answer just gooo..
And google that shit, yall google that shit
google that shit, don't ask me bitch just google that
shit

Why is this sky blue, why this coffee make you pu
why this viking make me itch, why do I sing on pitch,
why this Jesus have ..a name,
why do all people want the same,
why there is burn when I pee
why is it always rain on me.

Why the guys like feet, who cares
why..cheap, who cares
why do my wife blames me for everything
'cause she's a woman?

When you need to know something that you don't
already know
don't ask me for the answer just gooo..
And google that shit, yall google that shit
google that shit, don't ask me bitch just google that
shit.
google that shit, yall google that shit
google that shit, don't ask me bitch just google that
shit.

Ballerinas have ugly feet, why the men leave up the
toilets seat
why do I bleed from my nose, why does my husband
wears my clothes
is the gracest tip I don't like babies,
what our waste, cure maskadies
do I have to file taxes photos of..

Can't see nobody loves me, who cares
she blind people dream, who cares
is it illegal for me and I'm..to marry ..sister
that is a very specific question

When you need to know something that you don't
already know
don't ask me for the answer just gooo..
And google that shit, yall google that shit
google that shit, don't ask me bitch just google that
shit.
google that shit, yall google that shit
google that shit, don't ask me bitch just google that
shit.

Fly the traders questions, answers the seconds
all you do is quick return
and if you're out this chunky just try I'm feelin lucky
there's always more to learn

Who needs college with google,
Who needs actors with google
who needs boyfriends with google,
who needs anything with google
google you're amazing.

When you need to know something that you don't
already know
don't ask me for the answer just gooo..
And google that shit, yall google that shit
google that shit, don't ask me bitch just google that
shit.
google that shit, yall google that shit
google that shit, don't ask me bitch just google that
shit.
Google that shit, yall google that shit
google that shit, don't ask me bitch just google that
shit.
google that shit, yall google that shit
google that shit, don't ask me bitch just google that
shit.
