In Scranton, Pennsylvania  
Where's there's not that much to do  
One night a girl stole heroin  
And stuck it up her who who  
Who who puts heroin in that space?  
Who wants drugs in their private place?  
If you've read the headlines you know it's true  
The chick with the remarkable vagina  
That's who

Let me tell the entire tale  
Of how this gal wound up in jail  
When the police asked what she had done  
She pulled it all out one by one

54 bags of heroin  
31 bags for more  
A handful of prescription drugs  
I'm already feeling sore  
51 dollars and 22 cents  
In one small crevice in her uterus  
It's crazy but it's true that she fit all of that up in her  
who

If I had a remarkable vagina  
I'd never lose my keys  
I'd always have some extra space for emergencies  
Open up my front door  
Cause there's always room for more  
If you've got some things to store  
Well that's what friends are for

I'd put your phone in it  
Cash in it  
Comb in it  
Pens in it  
Book in it  
And your Chapstick too

Ring in it  
Brush in it

Checks in it  
Wine in it  
Fork in it  
All of it just like new

Where's my key?  
Where's my cat?  
Now I know where everything's at  
It's crazy ain't it strange?  
That something so small could fit all those things

Now who puts heroin in that space?  
Who want drugs in their private place?  
If you've read the headlines you know it's true  
A chick with the remarkable vagina  
That's who  
The chick with the remarkable vagina  
Who knew?  
I wish my vagina was remarkable too
