I should have known, another Friday night sitting home  
alone

I haven't had sex in a while, and I'm starting to feel a  
little hostile

Cause I'm single and no one wants to sleep with me  
I just stayed, and my knees are looking kinda hairy  
How is spongebob sure to be, cause all of my  
underwear are ,and red

And that's groch and no one wants to be with me  
But I know I'll be alright, if I go out with my girls tonight

Single, oh ready to mingle  
Single, oh ready to mingle  
,men hot, all we need is one more shot  
Sing with me if you single, single  
If you're single, if you're single

I'm alone and I am crying, and my ovaries are dying  
I sent a mass text cause I was sad  
And I accidentally proposition my dad  
And it's groch, no one wants to be with me  
But I know I'll be alright, if I go out with my girls tonight

Single, oh ready to mingle  
Single, oh ready to mingle  
,men hot, all we need is one more shot  
Sing with me if you single, single  
If you're single, if you're single  
Why is no one retweeting me, is that,  
Hey rich, rich, tonight well I have some other plans but  
ah  
No, no, tonight's great, I'll be ready in 5, 15, 47  
minutes  
47 and a half

Single, oh ready to mingle  
Single, oh ready to mingle  
,men hot, all we need is one more shot  
Sing with me if you single, single  
If you're single, if you're single.
