Where, where, where is my goat I can't find him  
everywhere I am reminded.  
I'll do anything to find him

What if my goat was drunk at a bar  
what if my goat was taken to Mars  
what if my goat was smuggled illegal  
what if my goat was attacked by eagles

What if my goat stopped for a snack  
What if my goat never comes back  
What if my goat ran away to the circus  
What if my goat just left me on purpose

Where, where, where is my goat I can't find him  
everywhere I am reminded.  
I'll do anything to find him  
I want him baaack, baaack, baaack. Oh where oh where  
could he be?

What if my goat was eaten by a whale  
What if my goat was taken to jail  
What if my goat went hand gliding  
What if my goat went into hiding

Go-t's remind me of my goat  
big teeth remind me of my goat  
goats, remind of my goat,  
remind of my goat, remind of my goat  
when I see an old lady I'm reminded of my goat  
the way the little lady clears her little granny throat.  
the way old ladies walk and the way old ladies talk,  
remind me of my goat, yeah remind me of my goat.

The smell of goat cheese makes me cry  
I pray and I pray my little goat didn't die  
it's not that I'm crazy I just got the blues  
you would be sad if you lost your goat too

Where, where, where is my goat I can't find him  
everywhere I am reminded

I'll do anything to find him  
I want him baaack, baaack  
oh where, oh where could he be?

I'll cross through the desert and over the sea  
anything to have my goat next to me,  
I'll take a boat, I'll take a plane,  
anything to see my little goat once again.

Where, where, where is my goat I can't find him  
everywhere I am reminded  
I'll do anything to find him  
Where, where, where is my goat I can't find him  
everywhere I am reminded  
I'll do anything to find him  
I want him..to see my goat once again  
the goat once again,  
to see my goat once again, my goat once again  
I want him, to see my goat once again, my goat once  
again  
to see my goat once again, my goat once again  
to see my goat once again, my goat once again, my  
goat once again
