In the middle of the night
That's when you caught my eye
I chased you 'round in memories
Through the breeze and the trees and you teased me
but hey
The clock's turning around
And you're still playing these games
It's such a way to bring me down, down, down, don't
bring me down cause...

Hey girl I wanna catch your wave
Hey girl I wanna drift away with you
Hey girl you gotta undertow
Hey girl, hey girl don't wanna let you go

When I turned sixteen
That's when i started to dream
I chased you 'round in memories
Through the breeze and trees and you teased me but
hey
Well every princess has her knight
And I'm still in it for the fight
Not givin' in I'm gonna win, win, win, I'm gonna win
cause...

Hey girl I wanna catch your wave
Hey girl I wanna drift away with you
Hey girl you gotta undertow
Hey girl, hey girl don't wanna let you go

I'm never gonna let you go

Hey girl I wanna catch your wave
Hey girl I wanna drift away with you
Hey girl you gotta undertow
Hey girl, hey girl don't wanna let you go
