Manic Mondays singin you to sleep
You could use some time to breathe
Wake up, please
A lonely weekend isn't what you need
You wont feel so guilty cause you love the crime on

[Chorus]
Friday night
Baby are you sleeping
Friday night
My heart is still beating
It's alright
Open up your sleepy eyes
Come alive, come alive on Friday night

Wearing night clothes never felt so cold
Wish we were a little older
Restless souls
I cant hold this ladder for too long
Won't you open up your window
Come outside on...

[Chorus]
Friday night
Baby are you sleeping
Friday night
My heart is still beating
It's alright
Curfew's gonna break my heart
So come and meet me in the dark
Friday night
You're under the covers
Friday night
We could be lovers
It's alright
Open up your sleepy eyes
Come alive, come alive on friday night

Baby it's no suprise
The price is right
I'm Bob Barker

Hold onto the prize
Cause its Friday night, Friday night, come alive

[Chorus]
Friday night
Baby, are you sleeping
Friday night
My heart is still beating
It's alright
Curfew's gonna break my heart,
So, come and meet me in the dark
Friday night
Still under the covers
Friday night
We could be lovers
It's alright
Open up your sleepy eyes
Come alive, come alive on Friday night
Yeah!
Come alive, come alive on Friday night
Oh!
Come alive, come alive
