You and I
We never had it easy baby
We had to work so hard
And everytime it feels like we're gonna make it
That's when it falls apart, but

Oooooooooohoo
Baby I'll take my chances with you
Oooooooooohoo
Baby I'll take my chances with you

Every night I think about the mistakes I've made
I try to change my ways
(Nothing's gonna change my ways)
And I don't mind all the little games we play
And all the foolish things you say, cause

Oooooooooohoo
Baby I'll take my chances with you
That's what I'm gonna do
Oooooooooohoo
Baby I'll take my chances with you

loves what you make it
So give it one more try
Cause I get turned down when you're not around
I just can't change it all

You and I
We never had it easy baby
We've both been hurt before
(Both been hurt before)
And only time will tell us if we're gonna make it
There's no way to be sure, but

Oooooooooohoo
Baby I'll take my chances with you
That's what I'm gonna do
Oooooooooohoo
Baby I'll take my chances with you
You know it's true

Oooooooooohoo
Baby I'll take my chances with you
That's what I'm gonna do
Oooooooooohoo
Baby I'll take my chances
I'll take my chances
With you
