She calls me baby
Then she won't call me
Says she adores me
And then ignores me
Jenny, what's the problem?

She keeps her distance
And sits on fences
Puts up resistance
And builds defenses
Jenny, what's the problem?

You leave me hanging on the line
Every time you change your mind

First you say you won't
Then you say you will
Keep me hanging on
But we're not moving on
Or standing still
Jenny, you've got me on my knees
Jenny, and it's killing me

She needs her own space
She's playing mind games
Ends up at my place
Saying that she's changed
Jenny, what's the problem?

I'm trying to read between the lines
You've got me going out of my mind

First you say you won't
Then you say you will
Keep me hanging on
But we're not moving on
Or standing still
Jenny, you've got me on my knees
Jenny, and it's killing me

It's killing me

It's killing me
Jenny

First you say you won't
Then you say you will
Keep me hanging on
But we're not moving on
Or standing still
Jenny, you've got me on my knees
Jenny, and it's killing me
First you say you won't
Then you say you will
Keep me hanging on
But we're not moving on
Or standing still
Jenny, you've got me on my knees
Jenny, and it's killing me

It's killing me, Jenny
