The Devil sings a Song  
For superior Children, Darkness'own  
Seduces them as Worshippers  
For His Paradise beyond  
A fierce Hadit Kiss

I am the Flame in the Heart of Man  
The Knowledge of Death  
Beauty and Strength as Weaponry,  
Thus my Force and Fire  
Pleasure of the secret Serpent  
To let the Weak die in Misery  
Divine Embrace and eternal Ecstasy  
In this golden bridal Eyes  
The Magic (k) of glorious Stars rains down  
An Expiration sweeter than Death

"Love one another with burning Hearts  
On the Weak trample in the fierce Lust of Thy Pride  
On the Day of Wrath"

Be Thou proud and mighty  
And strive ever to more!  
The Slaves shall serve  
And perish in their Veil of Sorrow

(There is no Truth except for  
"Do what Thou wilt..")

This is the Law of the Strong  
And the Joy of our World

"Liebet einander mit brennenden Herzen  
Und trampelt auf den niederen Menschen  
In der wilden Lust Eures Stolzes  
Am Tage Eures Zorns!"

I usurp my innermost Throne  
Crown myself as King  
In the Devil's Paradise
