"New Eden Embraces"

Nocturnal Hour has come and Moon has risen
Entering desecrated Ground to practice a Ceremony
Sacrifice
Ritual
Black Blood
Unholy
Blasphemy
Sign of Goat
Ancient Gods
Now arise !
To evoke Gods of Beyond
Building a Circle Formation
Unholy Sign in Centre
As the Dagger of Blasphemy
Gets the Blood floated out of the
Sacrificed Sheep
Ecstasy has been reached
The smell of strange drugs
And Arabian Prayers, now create your own Belial
To rise yourself godlike
By calling the Gates !
Utux xul ia ardata ! Kutulu ia atalakla !
Azagthoth ia kalla ! Ia anu ! Ia Enlil !
Ia Nugi ! Sabaoth !
