[Mary]

Uh, this is another one of those heartbreak hotel joints  
For the ladies, uh, mmm, ooh, hmm

[Mary]

Why won't you grow up and be a man someday  
I can't believe that you're still playing silly games  
Now why do I put up with all this child's play  
Now if your worth is all you have then you ain't worth a  
damn thang

[Mary]

Promises, you told me everyday (yeah, hmm)  
That you made, you never ever cared (ooh yeah)  
Not with me, I really want to believe  
Well not today (mm, not today), not today (not today,  
ooh)

[Mary]

You're the worst, I can't even depend on you  
You say I'm not a good thing, but something else you  
always do  
Be a man of your word, try to love something of loving  
you  
But now you can be on your way, cos I don't want you  
(promises)

[Eve]

Promises bout a house  
Bout the kids, lifestyle, we would live  
Who the fuck you really is  
In my face all the time spittin line after line  
Broke down my wall and you got in my mind  
You's a fake should a known  
All the signs I was shown  
Can't believe what I saw and your cover was blown  
Break up, leave  
Make up, please  
You's a magician all them tricks up your sleeve  
Had me for a minute, I was in it  
You played good

But I'm a bitch you gotta get it so I make moves  
And I'm a leave you where you at, dog, chill  
Go back to square one, wait for something real, huh  
Selfish nigga, coulda helped you nigga  
Usually know better but I felt you nigga  
I guess gettin in my head was a part of the plan  
Cos in realty the only thing you giving me is

[Mary]

Promises, you told me everyday (that you told me  
everyday, everyday)  
That you made, you never ever cared (you never,  
never, never)  
Not with me, I really want to believe (never cared)  
Well not today (not today), not today (not today, babe)

[Mary]

Promises, you told me everyday (that you told me  
everyday)  
That you made, you never ever cared (you never,  
never, never, never cared)  
Not with me, I really want to believe (I really, really,  
really)  
Well not today (not today), not today (not today, ooh)

[Mary]

Don't let him waste your time girl (don't let him waste  
your time girl)  
He's only telling lies girl (he's only telling some lies to  
you)  
When he apologizes (and he will, he will)  
Don't even leave ? a ? (ooh)  
Cos he will do it again

[Mary]

Promises, you told me everyday (ooh you told me  
everyday)  
That you made, you never ever cared (you never,  
never, never cared)  
Not with me, I really want to believe (I really want to  
believe)  
Well not today (not today), not today (not today)  
Ohhh
