#### Verse 1

Looking out  
Across the night-time  
The city winks a sleepless eye  
Hear her voice  
Shake my window  
Sweet seducing sighs

#### Verse 2

Get me out  
Into the night-time  
Four walls won't hold me tonight  
If this town  
Is just an apple  
Then let me take a bite

#### Refrain

If they say  
Why, why, tell em that is human nature  
Why, why, does he do me that way  
If they say -  
Why, why, tell em that is human nature  
Why, why, does he do me that way

#### Verse 3

Reaching out  
To touch a stranger  
Electric eyes are everywhere  
See that girl  
She knows I'm watching  
She likes the way I stare

#### Refrain

If they say  
Why, why, tell em that is human nature  
Why, why, does he do me that way  
If they say -  
Why, why, tell em that is human nature  
Why, why, does he do me that way

I like livin this way  
I like lovin this way

(Instrumental section)

Verse 4  
Looking out  
Across the morning  
The citys heart begins to beat  
Reaching out  
I touch her shoulder  
I'm dreaming of the street

Refrain

If they say  
Why, why, tell em that is human nature  
Why, why, does he do me that way  
If they say -  
Why, why, tell em that is human nature  
Why, why, does he do me that way  
I like livin this way
