A cool hard rock version of GreenDay's hit "Time Of Your Life"

Written by Billie Joe Armstrong. Originally performed by Green Day.

Used with absolutely no permission.

Another turning point the fork stuck in the road.

Time grabs you by the wrist and directs you where to go.

So make the best of this test and don't ask why.

It's not a question but a lesson learned in time.

It's something unpredicable
but in the end it's right.

I hope you had the time of your life.

So take the photographs and still frames in your mind.

And hang it on a shelf in good health and good time.

Tattoos and memories and dead skin on trial.

For what it's worth, it was worth all the while.

It's something unpredicable
but in the end it's right.

I hope you had the time of your life.

It's something unpredicable
but in the end it's right.

I hope you had the time of your life.
