You donâ€™t believe in a god damn thing  
That you say or do  
Youâ€™re a poser so move on over  
You make me wanna spew

(Chorus)

Ainâ€™t got the balls to be yourself  
Youâ€™re just a second rate version of somebody else  
CHEAP FAKER

Give it up â€™cause itâ€™s plain to see  
Youâ€™ll be laughed outta town  
Your facade like a house of cards  
And weâ€™re knockin it down

(Chorus)

One of these days theyâ€™ll realise  
Youâ€™re not as you appear  
Your disguiseâ€™ll be your demise  
Itâ€™s gonna end in tears

(Chorus)
