13 pieces of your fate  
13 dead that will awake  
Dying slowly, closer, closer  
13 pieces of my mind

13 pieces of my mind  
13 bullets in your side  
Dying slowly, closer, closer  
13 stab wounds to your head

13 dead and 13 rotten  
And now that old wounds have clotted  
The terror that you felt  
Will be the last thing that you feel

13 rot over ten years decayed  
13 bodies will be left unburied  
The terror that you felt  
Last thing that you feel

13 broken scabbed and torn  
13 victims not yet born  
Dying slowly, closer, closer  
13 pieces of my mind

13  
13  
13

13 rot over ten years decayed  
13 bodies will be left unburied  
13 dead that will awake  
13 pieces of your fate

13 bullets in your side  
13 stab wounds to your head  
13 broken scabbed and torn  
13 victims not yet born
