Visit "[As I Die](#)" on MotoLyrics.com

Tortured, been bleeding so long, I'm hungry for my death

To come now, waiting hatred

Dreaming of life, false hope

Dying to live, waiting to die alone in this world

Nausea, sickness, a lifeless living body barely alive

Just breathing, no feeling, none left, not for years

Alone now, waiting to die

Bastards

Don't let me die this way

Don't let me die

Don't let me die this way

Don't let me die

Suffer in this torture, too weak to take my life

Painful, no rest, a slow death, I can't sleep

Fear anticipation, indulgence in my own thoughts

And pain alone now, waiting to die

Bastards

Don't let me die this way

Don't let me die

Don't let me die this way

Don't let me die

Tortured, been bleeding so long, I'm hungry for my death

To come now, waiting hatred

Dreaming of life, false hope

Dying to live, waiting to die alone in this world

Nausea, sickness, a lifeless living body barely alive

Just breathing, no feeling, none left, not for years

Alone now, waiting to die

Bastards

Don't let me die this way

Don't let me die

Don't let me die this way

Don't let me die

Don?t let me die this way
Don?t let me die this way
Don?t let me die this way
Don?t let me die this way

Don?t let me die this way
Don?t let me die this way
Don?t let me die
Don?t let me die

Don?t let me die this way
Don?t let me die this way
