In the flames  
In fire  
Flesh burning  
The power of explosion  
Deviation from the normal  
I was born to kill in the masses  
I plot my evil

Terrorize  
It's time to die  
For my god, for my beliefs  
A sacrifice for the beast  
Souls to offer, blood to spill  
Embrace the opportunity to kill  
A thousand dead or more  
Sifting through the body parts  
Open your body bags  
Genius or insane?  
Baptism in flames

Terrorize  
It's time to die  
For my god, for my beliefs  
A sacrifice for the beast  
In the flames  
In fire  
Flesh burning  
The power of explosion  
The time is right to kill again  
To ready you for the slaughter  
Open eyes are somehow blind  
The innocent are murdered

In the flames  
In fire  
Flesh burning  
The power of explosion

Souls to offer, blood to spill  
Embrace the opportunity to kill  
A thousand dead or more

Terrorize  
It's time to die  
For my god, for my beliefs  
A sacrifice for the beast
