The screams and cries of the witch

the howling call of the wolf

set free from the demons  
let the flame burn through the night

evil lurks in the shadows

evil hides in the shadows of life

the ghosts of the undead  
supernatural unknown

the devil and his mistress plot our demise

they feed upon the sin

the sin within  
the screams and cries of the witch

the howling call of the wolf

set free from the demons  
demons of life  
let the flame burn through the night

evil lurks in the shadows

evil hides in the shadows of life

the ghosts of the undead  
supernatural unknown

then devil and his mistress plot our demise

they feed upon the sin

the sin within

the screams and cries of the witch

the howling call of the wolf

set free from the demons

demons of life
