What will 2000 bring?  
The war of a billion things  
When darkness seizes the lords  
And darkness sends his judgment sword

They march through the battle fields  
Start the destruction wheels  
A scream of terror through the night  
The armies do their final fight

Holocaust  
Final loss  
Holocaust

What will the end bring to my life?  
Are you poisoned by?  
Are, are you for the night?  
Are you for the night?

Holocaust  
Final loss  
Holocaust

Listen to what I say  
We are coming upon the day  
When toxic gas fills the air  
And life can't be found anywhere

You run, but where can you hide?  
From the shelters I hear you cry  
The bombs bursting in air  
God help me, I'm so scared

Holocaust  
Final loss  
Holocaust

What will the end bring to my life?  
Are you poisoned by?  
Are, are you for the night?  
Are you for the night?

Holocaust  
Final loss  
Holocaust
