[Incomprehensible]

I'm in league with Satan  
I was raised in hell  
I walk the streets of Salem  
Amongst the living dead

I need no one to tell me  
What's wrong or right  
Drink the blood of children  
Stalk my prey at night

Look out, beware  
When the full moon's high an' bright  
In every way I'm there  
In every shadow in the night

Evil in league with Satan  
Evil in league with Satan

I'm in league with Satan  
Obey his commands  
With the goat of Mendes  
Sitting at his left hand

I'm in league with Satan  
I love the dead  
No one prayed for Sodom  
As the people fled

Look out, beware  
When the full moon's high an' bright  
In every way I'm there  
In every shadow in the night

Evil in league with Satan  
Evil in league with Satan

I'm in league with Satan  
I am the masters own  
I drink the juice of women  
As they lie alone

I'm in league with Satan  
I bear the devils mark  
Kill the new born baby  
Tear the infants flesh

Look out, beware  
When the full moon's high an' bright  
In every way I'm there  
In every shadow in the night

Evil in league with Satan  
Evil in league with Satan
