The blood of the wolf
Infects my body
In the night hear the howling screaming,
Flesh chewed to the bone bleeding,
Eternal horror
Dying in the darkness
Now one of us
Bitten by the wolf
Now one of us
When the moon is full
And the night comes down
Fear all unnatural sounds
Human beast, animal
Curse of the lycanthrope
Dying in the darkness
Now one of us
Bitten by the wolf
Now one of us

Carnivorous
Lust for human flesh
Legacy of blood
Another victim
Carnivorous
Lust for human flesh
Legacy of blood
Infected dead
The blood of the wolf
Infects my body in the night
Hear the howling screaming,
Flesh chewed to the bone bleeding,
Eternal horror
When the moon is full
And the night comes down
Fear all unnatural sounds
Human beast, animal
Curse of the lycanthrope
