Those nightmares still keep me awake  
I wish that I could just sleep  
And when I open my eyes  
Somehow I don't feel the same

Those visions tell me to kill  
Those visions tell me to kill  
Those visions tell me to kill  
Those visions tell me to kill

Fight my own thoughts, my own thoughts  
I can't tell wrong from right  
They break me down, they break me down  
I'm sleeping away

Those visions tell me to kill  
Those visions tell me to kill  
Those visions tell me to kill  
Those visions tell me to kill

Night visions  
Night visions  
Night visions

Those visions tell me to kill  
Those visions tell me to kill  
Those visions tell me to kill  
Those visions tell me to kill

Night visions  
Night visions  
Night visions

Those nightmares still keep me awake  
I wish that I could just sleep  
And when I open my eyes  
Somehow I don't feel the same

Fight my own thoughts, my own thoughts  
I can't tell wrong from right  
They break me down, they break me down  
I'm sleeping away

Kill me before I wake  
Kill me before I wake  
Kill me before I wake  
Kill me before I wake
