I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now  
I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now

I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now  
I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now

We are the unborn  
A child in the womb  
Sheltered from the storm

I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now  
I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now

I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now  
I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now

We are the unborn  
A child in the womb  
Sheltered from the storm

We just want the truth now, we just want to know  
We just want the truth now, we just want to know  
We just want the truth now, we just want to know  
We just want the truth now, we just want to know

I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now  
I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now

I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now  
I'm gonna cut out my eyes and rip off my tongue  
I should just puncture my ears, I'm not alive now

We are the unborn  
A child in the womb  
Sheltered from the storm

We just want the truth, I'm gonna cut out your eyes  
We just want the truth and rip out your tongue  
We just want the truth, I'm gonna cut out your eyes  
We just want the truth and rip out your tongue

We just want the truth, I'm gonna cut out your eyes  
We just want the truth and rip out your tongue  
We just want the truth, I'm gonna cut out your eyes  
We just want to know
