Slicing Jaws A Way Of Life  
Brought Up To Waste Mankind  
Loki's Pets His Little Children  
Deadly Every Time

Trapped In Swamps By Gates Of Hell

Don't Ever: Let Them Out  
For If You Do And They Escape  
You'll Fight A Bloody Bout

Piranha Kill In A Pack - You'll Run  
Piranha Start To Attack - You'll Done  
If You Think You Can Beat - Deadly School  
If You Think You Can Live - You're A Fool  
Gates Of Hell Are Old And Cracked  
They Tumble And They Fall  
Out Rush A Bloody Wall Of Death  
To Kill Anything At All  
Their Sole Mission Is To Kill  
Strip Your Bones And Flesh  
Rip Out Your Eyes Tear Off Your Face  
An Agonizing Death

Piranha Kill In A Pack - You'll Run  
Piranha Start To Attack - You're Done  
If You Think You Can Beat - Deadly School  
If You Think You Can Live - You're A Fool
