You saw your life pass before your eyes  
I watched your body twist in pain  
Rotten bodies, dead  
Leaking pussing limbs  
Separated heads  
Smell the rotten dead  
Degenerating flesh  
Mutilated after death  
Moulded decayed skin  
Decomposition  
Bodily disintegration

I took an axe to your head  
Chopping rotten flesh  
Brain is seeping from the cracks in your skull  
Blood drains from the holes in your torso  
I took your life from you

Collapsed organs now rot and corrode  
Your empty body - bloated  
Pus clots on discolored skin  
Lifeless abused remains  
Remains of you  
Nothing remains of you  
Once alive  
Now just a pile of flesh  
Decomposition  
Bodily disintegration

I took an axe to your head  
Chopping rotten flesh

Brain is seeping from the cracks in your skull  
Blood drains from the holes in your torso  
I took your life from you

I violate the rotten dead  
Bodies tortured, stiffened carnage  
In my mind I need to kill  
Amputate, cutting skin, through the bone  
Disfigured human flesh  
Leaking pussing limbs

Separated heads  
Smell, the rotten dead

I took an axe to your head  
Chopping rotten flesh  
Brain is seeping from the cracks in your skull  
Blood drains from the holes in your torso  
I took your life from you

I defile the rotten corpse  
Mutilated after death  
Moulded decayed dead  
Your empty body - bloated  
Pus clots on discolored skin  
Lifeless abused remains  
Remains of you  
Nothing remains of you
