will you suffer? i think its time  
a weapon of god  
the sins of the dying  
keeper of the souls  
more hate than love  
death by the sword  
the fury of hell  
legion of sickness  
lord of misery  
after my death i rise in immortality  
unleashing the horror my words are infected  
feast on my rot  
i am resurrected

resurrection of the rotten

the demons of life have taken control  
burn with me now it's time to behold  
the glory of death  
a victim of my message  
feast on my rot

i am resurrected  
resurrection of the rotten  
resurrection of the dead

the demons of life have taken control  
burn with me now it's time to behold  
the glory of death  
a victim of my message  
feast on my rot  
i am resurrected  
resurrection of the rotten  
resurrection of the dead

legion of sickness  
lord of misery  
after my death i rise in immortality  
unleashing the horror my words are infected  
feast on my rot  
i am resurrected

resurrection of the rotten  
resurrection of the dead
