Snakes, snakes
Snakes, snakes
Snakes, snakes

Crawling roaches from rotten orifices
Worms sliding, feeding, eating

Snakes, snakes
Snakes, snakes

Crawling roaches from rotten orifices
Worms sliding, feeding, eating

Losing life's blood, turning cold
Pressure building in your skull

Cracking, crushing turning screws
Brain is dripping out your nose

Crawling roaches from rotten orifices
Worms sliding, feeding, eating

Snakes, snakes
Snakes, snakes

Snakes, snakes
Snakes, snakes
