You make the stars  
Illusions and dreams  
You're what you are  
Do you know what I mean?

I hear you clear  
See it in your eyes  
Lying to please  
It pleases to lie

You say it's your way

You say we'll make it  
Right to the top  
Your bullshit gets me  
What have you got?

I don't believe  
A word you say  
You make me laugh  
Get out of my way

You say it's your way  
Now listen to what I think of you

Son of a bitch  
Kiss my ass  
Son of a bitch

Son of a bitch  
You asshole  
Son of a bitch

Cock suckin' motherfucker  
I was right, take this, ahh

Son of a bitch  
Kiss my ass  
Son of a bitch

Son of a bitch  
You asshole

Son of a bitch

Son of a bitch

Son of a bitch

Son of a bitch

Son of a bitch

Cut you three times below the ass

Son of a bitch

[Incomprehensible] too short to shit

Son of a bitch

Son of a bitch

Two timing son of a dog

Son of a bitch

Son of a bitch

Son of a bitch
