Suffer inside myself  
There is no hope  
In this grave  
Bottomless  
The deepest depths  
An empty pit  
No way to live  
Dead  
It's killing me  
This deadly plague  
Poisoned blood  
Runs through my veins  
Finding pleasure  
Within the pain  
I'm suffering  
A step away  
From the edge  
One more rush  
All I need is  
A harder push  
There is no cure  
My infection is self inflicted  
I'm suffering  
In ecstasy  
Slowly dying  
Inside my body  
Locked away  
With no escape  
Finding pleasure  
Within the pain  
A step away  
From the edge  
One more rush  
All I need is  
A harder push

There is no cure  
My infection is self inflicted  
It's killing me  
This deadly plague  
Poisoned blood  
Runs through my veins

Finding pleasure  
Within the pain  
I'm suffering  
Suffer inside myself  
There is no hope  
In this grave  
Bottomless  
The deepest depths  
An empty pit  
No way to live  
Dead  
A step away  
From the edge  
One more rush  
All I need is  
A harder push  
There is no cure  
My infection is self inflicted  
I'm suffering  
In ecstasy  
Slowly dying  
Inside my body  
Locked away  
With no escape  
Finding pleasure  
Within the pain
