It gained control of me
The dark side of my mind
This hollow shell
A body with no soul

Feeding on me
Growing inside
This parasite

Dormant within
Now, it's alive
It came to life

Feeding on me
Growing inside
This parasite

Dormant within
Now, it's alive
It came to life

With each breath I take
I feel the pain
It has a hold on me
The thoughts I think

Deep within my body
Eating me from inside
I can't control
This other self

The enemy
The enemy
The enemy
Inside of me

Feeding on me
Growing inside
This parasite

Dormant within
Now, it's alive

It came to life

Feeding on me
Growing inside
This parasite

Dormant within
Now, it's alive
It came to life

Separate from myself
Actions without thoughts
In constant agony
Distortion of reality

Alternate emotions
Now, come to life
My soul asleep
Unconscious but awake

The enemy
The enemy
The enemy
Inside of me

Feeding on me
Growing inside
This parasite

Dormant within
Now, it's alive
It came to life

Feeding on me
Growing inside
This parasite

Dormant within
Now, it's alive
It came to life

It gained control of me
The dark side of my mind
This hollow shell
A body with no soul

With each breath I take
I feel the pain
It has a hold on me
The enemy inside
