Why would I leave,  
A girl that looks like Bey?  
Or Rihanna?  
Or Lauren London?  
I would be a foolish man if I let this hoe come between  
our love,  
Come between our love,  
Come between our love,  
Between our love,

Verse 1

Girl you shinin' brighter than a star,  
& I know it's kinda hard cause we're miles apart,  
But baby I can't wait to see you,  
Baby you know that you got my heart,  
Can't no other girl (girl) take your spot,  
So baby help me too,  
Trust me, trust you,
