Even though you can't see him, he is there

With so much care, I will love him, I will praise him, I
trust my love with him, I am here, For you, without a
care or judgement, I will love you with all my heart, no
matter the price, I won't think twice, for you, I will be for
you, I will live for you, I will be just, like, you

Ohhhh ohhhh ohhhh!

Seeing is believing, for him you jsut know he is there,
And he, is, here

(Solo)

With so much care, for you, I will love him, I will praise
him, I will be just, like, you
I'll trust my love with him, I've commited so much sin,
But I've been forgiven

He is there, without a care, I will trust my love with him,
I am here, because of him

(Solo)

Adam and Eve made the first sin, with him they were
forgiven, forgiveeeen
I will be for you, I will live for you, I will be just, like, you,
Cause I, Trust, In, You
