It's every day  
I'm in this place  
I feel this way  
I feel the same  
It's every day  
I'm in this place  
I feel this way  
I feel the same  
Is it all inside my head  
Is it all inside my head  
I'll view the list  
And take my pick  
I view my faith  
And make a choice  
'Cause it's nobody else's but mine  
But you are in my heart  
I can feel your beat  
And you move my mind  
From behind the wheel  
When I lose control  
I can only breathe your name  
I can only breathe your name  
So many days within this race  
I need the truth  
I need some grace  
I need the path  
To find my place  
I need some truth  
I need some grace  
The part of you  
That's part of me  
We'll never die  
We'll never leave  
And it's nobody else's but mine  
You are in my heart  
I can feel your beat  
And you move my mind  
From behind the wheel  
When I lose control  
I can only breathe your name  
I can only breathe your name  
You'll view the list

And take your pick  
You'll view my faith  
And make a choice  
'Cause it's nobody else's but yours  
And you're in my heart  
I can feel your beat  
And you move my mind  
From behind the wheel  
When I lose control  
I can only breathe your name  
'Cause you're in my heart  
I can feel your beat  
And you move my mind  
From behind the wheel  
When I lose control  
I can only breathe your name  
I can only breathe your name  
I can only breathe your name  
I can only breathe your name
