My heart is as dark as the soil, sodden with winter rains
My soul is as heavy as the peat, freshly dug from the
bog
My thoughts swirl like willow branches caught in
autumn winds
My body is as tense as a cat's as it stalks its prey

Help me open my heart to You
Help me open my heart to You
Help me open my heart to You, oh Jesus
It's what I long to do, oh, to do, oh

My heart is as dark as the soil, sodden with winter rains
(Lord, brighten my heart)
My soul is as heavy as the peat, freshly dug from the
bog
(Lord, lighten my soul)

My thoughts swirl like willow branches caught in
autumn winds
(Lord, still my thoughts)
My body is as tense as a cat's as it stalks its prey
(Lord relax my body)

Help me open my heart to You
(Help me open my heart to You)
Help me open my heart to You
(Help me open my heart to You)
Help me open my heart to You, oh Jesus
It's what I long to do, oh, to do, oh

Help me open my heart to You
(Help me open my heart to You)
Help me open my heart to You
(Help me open my heart to You)
Help me open my heart to You, sweet Jesus, I

(Help me open my heart to You)
I want to open my heart to You
(Help me open my heart to You)
I want to open my heart to You
(Help me open my heart to You)

I want to open my heart to You, oh Jesus
It's what I long to do, oh, to do, oh, to do, oh, to do, oh
