There is freedom within, there is freedom without  
try to catch the deluge in a paper cup  
There's a battle ahead, many battles are lost  
But you never see the end of the road while you're  
traveling with me

Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come to build a wall between us  
But you know they won't win

Now I'm towing my car there's a hole in the roof  
My possessions are causing me suspicion but there's  
no proof  
In the paper today tales of war and of waste  
But you turn right over to the TV page

Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come to build a wall between us  
But you know they won't win, yeah, yeah

Now I'm walking again to the beat of a drum  
And I'm counting the steps to the door of your heart  
Only shadows appear barely clearing the roof  
Get to know the feeling of liberation and relief

Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come to build a wall between us  
But you know they won't win

Hey now, hey now, don't dream it's over  
Hey now, hey now, when the world comes in  
They come, they come to build a wall between us  
But you know they won't win, oh no, no

Don't let them win, no  
When the world comes in, yeah  
Hey now, hey now, build a wall between us  
Hey now, hey now, don't let them win  
Hey now, hey now, no, no, no

Hey now, hey now, build a wall between us girl  
Hey now, hey now, [Incomprehensible]
