Let me, let me know what makes you happy  
And I'll do it over, over and over again  
Let me know just how you love me and we'll spin  
Around again in this field of flowers we're in

I wish to quote from Whitman now  
To show the way I feel, I feel about you, oh, about you  
Because it's a 'Subtle Electric Fire' you light in me  
Every time I see you  
So let's dance again in this field of flowers we're in

These lyrics are so frivolous they really have no  
meaning  
But I wrote them for you and anywhere I would be with  
you  
No matter where but for now we're here  
So let's spin around again in this field of flowers we're  
in  
Let's spin again in this field of flowers we're in
