Hey I am
Having a little trouble
Again with myself
Today I would label out of the ordinary

Hey I read
The words to label him
Said he strikes a tune mighty fine
But in living life that's where he finds plenty of trouble

Hey I am
A book inside your hands
Will you turn the page and read the line
Where I reach the end and rid my mind of all this
rubble

Let me out of this solitude
I want out so I can be with you
Let me out, I want to touch you
Don't keep me

Hey I am
Having a little trouble
Acting Disney double gettin' with myself
It's me I would label out of the ordinary

Let me out of this solitude
I want out so I can be with you
Let me out, I want to touch you
Don't keep me

Let me out
Let me out

Hey I am
Having a little trouble with myself

Let me out of this solitude
I want out so I can be with you
Let me out, I want to touch you
Don't keep me

Let me out of this solitude
I want out so I can be with you
Let me out, I want to touch you
Don't keep me here

Let me out
Let me out
Let me out
Let me out
