Visit "[Trust](#)" on MotoLyrics.com

trust in the Lord with all your heart lean not on
your own understanding in all of your ways
acknowledge Him and He will make your paths
straight don't worry about tomorrow He's got it
under control just trust in the Lord with all your
heart and He will carry you through
Lord, sometimes it gets so tough to keep my eyes
on your when things are going rough but then I
turn my eyes up to the sky and I hear your voice it
says to me...
so child do not be weary with the troubles of this
world I have overcome
